**Compliance Item:** Within 30 days of the execution of any Financing Transactions authorization herein, file a notice in this docket confirming that such execution has occurred and a certificate by an authorized Company representative that the terms of the financing fully comply with the authorizations granted.

**Explanation:** We have not received any Financing. The financing was intended for the POUs which we could not follow thru with due to non-acceptance from the homeowners. However, we will need financing to meet our compliance. At which time, CWC will make certain to file a notice in this docket confirming that such execution has occurred and a certificate by an authorized Company representative that the terms of the financing fully comply with the authorizations granted.

Sincerely,

Debra Kilgore
